Of late several wheels have disappeared from this place, one of them being an almost new one belonging to G. A. Goodwin. A stray wheel has also been found in Farmer's addition, which is awaiting an owner.

CAME FROM DENMARK.

Miss Annie Nielson, a sister of Tans Nielson, arrived here yesterday from Denmark and will make her home here with her brother, Miss Nielson was on the road a little over three weeks, and though she was unable to speak the English language, had no difficulty whatever in making the trip. She is much pleased with Arizona.

HAD A COLD TRIP.

Dr. B. H. Moser was called to Arlington Tuesday afternoon by a serious case of illness. He made the trip by auto but it took two machines to make the run and it was an all night trip at that. The first machine broke down about forty miles west of Phoenix and the doctor took a long walk to the nearest telephone when he got in touch with Tempe again and secured a second car. The trip was continued and the return trip made in the second machine and a good portion of the night was spent on the road. The doctor and his driver both say that for a country that brags about its warm winter climate, the air was pretty chilly part of the time on the trip.

GOES TO RANGE.

Frank Fogel left yesterday morning on a business trip to the Mogul-Gage range at Date creek. He expects to be back sometime today.

V. L. Wildermute of the department of agriculture, who has been absent for a few days on a business trip to the coast, returned to Tempe.

TODAY'S CONTESTS.

There will be plenty going on in Tempe this afternoon. At the high school grounds there will be a double header basketball game between the boys and girls of the normal and the high school. These teams are now in the lead in the valley series and the last game played between the boys' teams was won by the very narrow margin of one point, the score being 15 to 16. Two very close games are looked for today. In the way of baseball, there will be a game played on the new grounds near the stockade between the prison team and either the Tempe or Phoenix Mexican team.

REPUBLICAN CLUB TO MEET.

A special meeting of the Republican club has been called for next Monday evening at the Cosmopolitan hall. A full attendance of all members is desired and all republicans are invited to be present. A speaker from Phoenix will be present and a pleasant and profitable evening is assured all who attend.

The boy's appetite is often the source of amazement. If you would have such an appetite take Chamberlain's Tablets. They not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all druggists.

HELD TO GRAND JURY.

Two young Mexican boys, Antonio and Gabriel Rivas, were yesterday held to the grand jury by Justice Carr on a charge of having broken into the S. B. Drilling house west of town last week. The evidence in the case was so plain there was nothing else to do. Among other things, a gold watch, several shirts, a supply of provisions and a pair of shoes were taken. Most of this property was found in the possession of the two young men and they even admitted entering the house.

SHE DIDN'T WANT TO GO

Hospital is Advised as only Relief from Long Illness, but Mrs. Chance Stays at Home.

Collins, Miss.—In an interesting letter from this place, Mrs. Delphinia Chance writes as follows: "I had suffered from womanly troubles, and finally I took down with a fever."

We had five different doctors, but it seemed that I could not get any better. The doctors said they had done all they could to help me, and advised me to go to the hospital.

I did not want to go, and I decided I would try Cardui. After I began to take it, I got better every day, and now I can take care of my baby, and do all my housework. I feel as well as I ever did in my life.

When I think how long my fever had lasted, and that nothing helped me, I can't begin to say enough for this great remedy. We spent nearly all we had for doctors, but they gave me no relief.

I am thankful there is a remedy for womanly troubles that will not fail."

Cardui will surely do as much for you as for the writer of the above letter, if you will only give it a fair trial.

Pure, safe, reliable, gentle—Cardui is the ideal medicinal tonic for weak, sick women. Try it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

WILL HAVE TURKEY DINNER.

The convicts at the bridge stockade will have turkey dinner today just the same as any body else. Captain Van Sien made a trip out into the country yesterday and when he returned he had a wagon load of big Thanksgiving birds which will be served at noon today with all the necessary trimmings to make a fine Thanksgiving dinner. Work on the bridge will be suspended today and there will be a ball game in the afternoon.

"There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Our doctor gave them Chamberlain's Cough Remedy and the first dose eased them, and three bottles cured them," says Mrs. R. A. Donaldson, of Lexington, Miss. For sale by all druggists.

MESA

THANKSGIVING DAY WILL BE OBSERVED

Merchants Will Close Places of Business and All Will Enjoy a Day of Rest.

The annual holiday will be generally observed in Mesa. The merchants have decided to close their places of business and enjoy the day with the rest of mankind. The banks will be closed all day, and the barber shops will close from twelve to four. The shops would be closed all of the afternoon, but for the fact that there are three dances scheduled for this evening, and the young men will want to "spruce up" before the music starts. Several family reunions and dinner parties have been arranged for, and everybody will have turkey for dinner. Turkey, by the way, is cheaper than chicken just now, the prices being much below that of previous years at this season.

Union services will be held at the Baptist church at 10 o'clock this morning, Rev. W. S. Crockett, pastor of the Christian church, being scheduled for the sermon. A combination choir will furnish special music for the occasion.

At night those who delight in dancing can have a choice of places. The Lady Macabees will give a dance at the Knights of Pythias hall, furnishing refreshments. There will be a dance at the Mesa opera house and at the Vance auditorium. In short there will be no lack of entertainment for the people of Mesa and vicinity during the day and evening.

DANCING CLASSES.

Miss Kingman has arranged to be at Masonic hall Saturday afternoon and evening, for the purpose of forming dancing classes. Children's classes will be held during the afternoon and the class for grown people at night. Miss Kingman has received considerable encouragement and will probably have a large number of pupils seeking instruction in Torsichorean art.

REPUBLICAN RALLY.

The republican candidates for all county offices will be in Mesa next Tuesday and will hold forth at the Mesa Coliseum at night in a grand rally and speechmaking event. They are this week in the western part of the county and the reports from Messrs. Dorman, Steward and Morris are to the effect that they have been received with much enthusiasm and are meeting with the most encouraging success. The rally at this place gives promise of being well attended. Everyone, regardless of politics, is urged to be in attendance. Good speechmaking, good music and a good time is guaranteed.

MEXICAN DANCE.

There was a meeting of the democrats held last night for the purpose of working on the Mexican population. A man from Los Angeles and Pedro De la Lama and Deputy Sheriff Olea were the speakers. After the speaking a dance was given those who attended the meeting. The democratic committee paid for the hall, and the music was furnished by the Mesa orchestra.

NOMINATION OF CANDIDATES.
On Monday night Damon lodge, No. 19, K. of P., made a number of nominations of candidates for the offices to be filled for the ensuing year. Nominations will be held open until next Monday night, when others may be made and the election will then take place.

On Tuesday night nominations were made by the Improved Order of Red Men, as represented by Mon. tezuma tribe, No. 27, and the election of officers will be held on Tuesday night of next week.

HEADQUARTERS.

Republican headquarters have been established by the local republican committee in Judge Irwin's office on South Macdonald. Charles F. Jones, a member of the committee, will be in charge, and republicans, democrats, socialists, prohibitionists, hearstarians, or any other voter, will always be welcome.

CAR OF LUMBER.

W. C. Brown has received a car of lumber at Chandler, from the Mesa lumber yard, and will use it all in building a dwelling for himself and family on a tract of land recently purchased from the Mesa Improvement company. Mr. Brown is one of the Copper Queen people and is investing his wealth in something that will answer for a permanent, modern home.

FINE PIANO.

The dropping of a "G" in yesterday's Republican made it appear that the new piano purchased by the Masonic lodge of Mesa was a cheap \$50 affair. This is wrong. The new piano cost \$800, and is a beauty.

In damp, chilly weather there is always a large demand for BAL-LARD'S SNOW LINIMENT because many people who know by experience its great relieving power in rheumatic aches and pains, prepare to apply it at the first twinge. Price, 25c, 50c and \$1.00 per bottle. Sold by Elvey & Huett's Pharmacy.

FARMERS' INSTITUTE.

There was a good attendance at the farmers' institute held yesterday afternoon and last night at the Mesa high school building. The lectures were listened to with the closest attention and the speakers were asked, and answered, many pertinent questions. Last night there was a general discussion of the plan to form a state-wide farmers' association for the instruction of the young and old agriculturists in modern methods of cultivating the soil. The institute was held under instructions from the government experiment station at Tucson.

Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness. For sale by all druggists.

MESA WEATHER.

The latest forecast of the season, so far, occurred Tuesday night, but it is understood there was very little damage to fruit trees. The cold weather came on so gradually this fall that the trees had a chance to harden up. A few of the young orange trees are frost-bitten, but not killed. The observer has given out the following official report:

Maximum temperature 56
Minimum temperature 34
Mean 45
Direction of wind, northeast.
Forecast for today: Fair.

My Corns Don't Hurt A Bit.
Tired, Aching, Swollen, Smelly,
Sweaty Feet, Corns, Callouses
and Bunions, TIZ Cures
Right Off.

Say good-bye to your corns the very first time you use TIZ. You will never know you have a corn, bunion or callous, or sweaty, tired, swollen, aching feet any more. It's just wonderful the way the pain vanishes. Rub the corn—hammer it with your fist if you wish—no more pain after TIZ than if there had never been a blemish on your feet. Doesn't that sound good to you? Doesn't it?

Then read this:
"The corns on either of my toes were as large as the tablets you make to cure them. Today there is no sign of corns on either foot and no soreness. It's an up-to-date Godsend—Sam A. Hoover, Progress, N. C."

Just use TIZ. It's not like anything else for the purpose you ever heard of. It's the only foot remedy ever made which acts on the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists, 25 cents per box, or direct, if you wish, from Walter Lathrop Dodge & Co., Chicago, Ill. Recither Dodge & Co., Chicago, Ill. For sale by all druggists.

NO OFFERING EXCUSES.

Captain Edwin M. LeBaron of Company D, National Guards, was short several men at drill Tuesday night, and was just ready to file a number of complaints for violation of regulations, when the boys came in and all offered excuses. Just how many he has decided to accept has not developed so far.

MEETING OF LIBRARY BOARD.

A meeting of the board of directors of the Mesa Library association was held yesterday afternoon. The object of the meeting was to arrange for the future conduct of the association. Among other things that the president, Mrs. W. A. Kimball, had on her hands was the securing of a deed to a lot in North Evergreen. It seems that when the sale of lots in that addition was started, the managers went to Mrs. Kimball and made an offer of a lot to be selected by a committee, if the ladies would serve dinner at the grounds on the day of sale. They accepted the offer, the lot was selected, the ladies fulfilled
